1 June 1959

MEMORANDUM FOR: Chief, Material Branch, DPD-DD/P  
SUBJECT : Equipment Requirements - Contract No. RE-518  
with The Perkin-Elmer Corp.

1. Attached is a list of equipment required for delivery on or before 1 July 1959 by The Perkin-Elmer Corp., Norwalk, Conn., for setting-up their plant facility for developing and producing photographic equipment for Project GUSTO under Contract No. RE-518.

25X1  
2. It is requested that all items set forth on the list which are found available from Government inventories be shipped to The Perkin-Elmer Corp., Post Road Plant, Connecticut Avenue, Norwalk, Conn., marked for: [redacted] It is believed that accountability for all items supplied the Contractor as GFP should be maintained by the Supply Depot.

3. It is also requested that the Contracts Branch be advised by 15 June 1959 of all items which cannot be supplied as GFP in order that the Contractor may be authorized to procure such items under the Contract.
